LETTER OF ADMISSION

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: **1208**) for **DIPLOMA IN SOCIAL WORK AND COMMUNITY DEVELOPMENT** course (KUCCPS Programme code: **4155552**) in the **Business & Entrepreneurship** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke , fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: 1208) for **DIPLOMA IN SOCIAL WORK AND COMMUNITY DEVELOPMENT** course (KUCCPS Programme code: 4155552) in the **Business & Entrepreneurship** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke, fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (see **page 9** of our **Joining Instructions**).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

LETTER OF ADMISSION

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: **1208**) for **DIPLOMA IN ELECTRICAL & ELECTRONIC ENGINEERING (TELECOMMUNICATION OPTION)** course (KUCCPS Programme code: **4155717**) in the **Electrical & Electronics Engineering** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke , fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff

LETTER OF ADMISSION

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: **1208**) for **DIPLOMA IN GENERAL AGRICULTURE** course (KUCCPS Programme code: **4155722**) in the **Agriculture & Environmental Studies** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke, fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff

LETTER OF ADMISSION

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: 1208) for **DIPLOMA IN BUSINESS MANAGEMENT** course (KUCCPS Programme code: 4155751) in the **Business & Entrepreneurship** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke, fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (see **page 9** of our **Joining Instructions**).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke, fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (see **page 9** of our **Joining Instructions**).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke , fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (see **page 9** of our **Joining Instructions**).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

LETTER OF ADMISSION

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: 1208) for **DIPLOMA IN SECRETARIAL STUDIES** course (KUCCPS Programme code: 4155901) in the **Business & Entrepreneurship** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke, fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.

LETTER OF ADMISSION

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: **1208**) for **DIPLOMA IN ELECTRICAL & ELECTRONIC ENGINEERING (POWER OPTION)** course (KUCCPS Programme code: **4155917**) in the **Electrical & Electronics Engineering** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke, fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff

LETTER OF ADMISSION

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: **1208**) for **DIPLOMA IN SUPPLY CHAIN MANAGEMENT** course (KUCCPS Programme code: **4155988**) in the **Business & Entrepreneurship** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke, fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (see **page 9** of our **Joining Instructions**).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

LETTER OF ADMISSION

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: **1208**) for **DIPLOMA IN WELDING AND FABRICATION** course (KUCCPS Programme code: **4155991**) in the **Mechanical and Automotive Engineering** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke, fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke, fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: **1208**) for **DIPLOMA IN SUSTAINABLE AGRICULTURE AND RURAL DEVELOPMENT** course (KUCCPS Programme code: **4155C22**) in the **Agriculture & Environmental Studies** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke , fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (*see page 9 of our Joining Instructions*).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia

We are pleased to inform you that you've been offered an admission at Tigania East Technical and Vocational College (KUCCPS code: **1208**) for **DIPLOMA IN HUMAN RESOURCES MANAGEMENT** course (KUCCPS Programme code: **4155C37**) in the **Business & Entrepreneurship** Department. The date of reporting for admission is **August 21, 2023** between 8:00am and 4:00pm.

Download **Joining Instructions** from our website www.tiganiaeasttvc.ac.ke, fill it duly and submit on the reporting date.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the government scholarship does not cover the entire cost of your program, the deficit will be met by your parent/guardian.

You will be required to bring the following:

- Medical letter/form duly filled in, stamped and signed by government medical officer after you are medically examined (see **page 9** of our **Joining Instructions**).
- Original** and **copies** of your ID, Result slip/certificates and birth certificate for verification. Please note that presentation of **FORGED** documents is a criminal offence and the institute shall not be held responsible for the consequences therein.
- Two (2) copies of 40mm by 50mm digital passport photo
- This admission Letter (**kindly make a copy to be retained on admission**)
- TETVC student guide (*in the Joining Instructions*) signed in the presence/witnessed by parent/guardian/sponsor which will also be counter signed by a senior TETVC staff
- Essential tools and books in the list attached. It is recommended that a TETVC trainee should have a laptop within the first year of study as it will be essential for carrying out research and project work.

For information relating to fee payment, refer to the fee structure and payment details.

Yours Sincerely,

Alex Kobia
